In response to your Decision of October 10, 2006 stating that your record fails to show that petitioner submitted reply to the final Office action mailed October 18, 2005, please be advised on the following discrepancies:

1. The final Office action was not dated October 18, 2005 but October 6, 2005.
2. On November 23, 2005, I did send my reply to the Office action of October 6, 2005, most likely, by faxing it (please, see the attachment).

Due to foregoing, please, give another look at my Petition.
